WESLEY WILLOWS BUILDING MORE APARTMENTS

ROCKFORD, IL – On October 21, 2010, Wesley Willows broke ground on Willows Suites Phase II, a 41 unit apartment building dedicated to active seniors over the age of 55. This is the second addition of apartments to be added to the retirement community in three years. Phase I, with 36 units was completed in December, 2008 and is fully occupied. Phase II will offer apartments 800 to 1,400 square feet with balconies, patios, and underground garage. Both Phase I & II are directly connected to the Wesley Willows Town Center that offers an aquatic and fitness center, bistro, auditorium, and various other amenities.

Scandroli Construction Co., Carl Scandroli, Vice President and Joe Scandroli, Jr., Project Manager are the builders for the project. Scandroli Construction Co. is a 101-year old, family owned business in its fourth generation of leadership.

This is the third major building project for Wesley Willows on the west side of Rockton Avenue in eight years. Sixty-five duplex homes [130 living units] have been added to this retirement community, commencing in 2002]. Phase I Willows Suites and the 37,000 sq. ft. Town Center were completed on December 1, 2008. Over fifty percent of the Phase II suites are committed for new occupants with a scheduled completion date of December 1, 2011.
